Parking is available in the Lawrence city lot immediately across Vermont Street from FFNHA. However, you have to move your car before the two-hour mark. We will have a short break to allow those who drive and park in the lot across the street to move their cars.

Do you have brochures you need to distribute? Do you have new brochures you want to share? Bring them to the meeting. Take home brochures from other sites, and leave some for FFNHA to display in the Carnegie Building for use in the upstairs exhibit area.

We'll also have FFNHA maps that you can take back to your site to replenish your stock.
